## EMPLOYMENT AGREEMENT

This Employment Agreement is effective this 1<sup>st</sup> day of July, 2006, contingent upon the approval of the Board of Regents of the Nevada System of Higher Education, by and between the Board of Regents of the Nevada System of Higher Education on behalf of the University of Nevada, Reno (the "University") and Christopher T. Ault (the "Head Football Coach" or "Employee") and it cancels and replaces any and all prior employment understandings and agreements between these two parties, including but not limited to the prior Employment Agreement for the period 7-1-04 through 6-30-07. Concurrent with this Employment Agreement, the parties shall also execute, on an annual basis for each academic year, a standard University Personnel/Payroll Action Form (PAF), or successor document, together with its accompanying document called the "Terms of Employment for Faculty," or successor document, which said document shall incorporate this Employment Agreement.

### **ARTICLE I – PURPOSE**

The University and the Head Football Coach have entered into this Employment Agreement because the University desires to contract the employee for a period of three years with the Employee's assurance that he will serve the entire term of this Employment Agreement, a long-term commitment by the Employee being critical to the University's desire to run a stable athletic program. The University and the Employee agree that head coaches of intercollegiate athletic teams at the University conduct their professional activities under circumstances unique in the University community and among University employees, including evaluation and scrutiny of program performance by the public and the news media and control by external rules and regulations, including without limitation the rules and regulations of the National Collegiate Athletic Association (NCAA) and the athletic conference of which the University is a member. These circumstances justify job security and commitment by the

Employee longer than one year but less than a continuous appointment. The Employee desires to obtain the opportunities of employment with the University which are set forth in this Employment Agreement. For these reasons, the University has agreed to employ the Employee and the Employee has promised to be employed by the University upon the terms and conditions set out in this Employment Agreement.

## **ARTICLE II – PUBLIC DOCUMENT**

The parties agree that this Employment Agreement is a public document and that the University may release copies of the Employment Agreement to persons requesting the same.
